

MIKHAIL JONATHAN MAXDRIAN PAENDONG

(+62)88232617689 | mikhail.jonathan24@gmail.com | www.linkedin.com/in/mikhailjonathan | - Salatiga, Indonesia

Final-year Informatics Engineering student at Universitas Kristen Satya Wacana with a specialization in Data Science, passionate about Data Analytics and data processing. Strong foundation in SQL and Python, eager to transform data into actionable insights for decision-making. Good problem-solving skills and a keen interest in further developing expertise and gaining experience in the field of Data Analysis.

Education

Satya Wacana Christian University - Salatiga, Central Java, Indonesia — Sep 2023

Bachelor of Informatics Engineering, 3.49/4.00

- Completed Oracle Academy Certification - Database Design (July 2026), mastering core data modeling, conceptual database design, and entity-relationship diagrams.
- Completed Oracle Academy Certification - Database Programming with SQL (July 2026), gaining hands-on skills in writing SQL queries, managing relational databases, and data manipulation.

Organisational Experience

PURE: Seminar & Competition 2025 - Salatiga, Central Java, Indonesia — Apr 2025 - Oct 2025

Equipment and Transportation Division Committee

- Oversee and supply equipment and logistics essential for the seamless execution of seminars and competitions attended by 450 participants.
- Coordinate with transportation and accommodation vendors to arrange lodging and travel schedules for speakers, judges, and invited guests.
- Manage inventory tracking and distribution of event equipment, ensuring all tools, sound systems, and props are available and fully functional on-site.
- Handle transportation logistics for event committees, guest speakers, and VIPs to ensure smooth mobility and timely arrival throughout the event.
- Collaborate cross-functionally with other divisions to align logistics support with the overall event rundown and timeline requirements.
- Conduct pre-event vendor negotiations and post-event inventory audits to ensure efficient resource allocation and budget adherence.

FTI UKSW Basketball Student Activity Unit - Salatiga, Central Java, Indonesia — Feb 2024 - Jan 2025

President

- Served as the Head of the FTI Basketball Student Activity Unit (KBM Basket FTI) for the 2024 term, leading team members and coordinating internal organization strategies.
- Planned, organized, and evaluated routine training schedules, team preparation, and sports programs to foster athletic discipline and teamwork.
- Coordinated team preparation and participation in various inter-faculty and university-wide competitions to boost student achievements.
- Collaborated closely with faculty authorities and student organizations (such as SMF FTI) to ensure the smooth execution of faculty-level sports events and foster good relationships.
- Managed internal communications among members, successfully resolving group dynamics and strengthening overall team collaboration.

New Student Orientation (OMB UKSW 2026) - Salatiga, Central Java, Indonesia — Jul 2026 - Sep 2026

Facilitator

- Served as a Facilitator for the Orientation and Introduction to Campus Life (OMB UKSW 2026), guiding and mentoring new students during their transition to university life.
- Facilitated interactive group sessions and team-building activities, fostering camaraderie, teamwork, and positive character development among new students.
- Delivered essential information regarding the academic environment, faculty regulations, and campus facilities to ensure seamless student adaptation.
- Demonstrated active communication and problem-solving skills to support new students in addressing initial academic and social adjustment challenges.
- Managed group dynamics and maintained discipline throughout the orientation program, ensuring a welcoming, inclusive, and structured environment.
